MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Your Friday Breakfast Meeting with Secretary Weinberger and Deputy Secretary Taft at the Pentagon, 13 April 1984

1. DoD did not have any items for tomorrow's agenda.

2. For our part you may wish to raise the following items:

no problem

Rank of Deputy Director, NPIC. The DDS&T would like you to suggest to Sec Def that the next appointee as Deputy Director, NPIC, be of one star rank. For the last 20 years or so the incumbent has always been an 06 colonel. At TAB A are talking points on why it would be more appropriate to have someone of star rank in that position.

-- PFIAB NRO Study. PFIAB is revisiting this issue. The principal issue here is whether a formally constituted executive committee should be chartered, as suggested by PFIAB. The Community view, concurred in by the NRO, is no--and is presented at TAB D.

2. I have arranged to have an update [redacted] situation prepared for you prior to tomorrow's session.--but only if there is anything new!
